THE SPACE

From picturesque historic estates, to breezy coastal properties, We manage a portfolio of premium wedding venues spanning across Australia.

We appreciate that every venue and estate is unique in it's own way. It is our priority to work with you and your families to customise a unique setting that will ensure a seamless and memorable day, complimenting the vision of your wedding.

Our team take great pride in partnering with some of Australia's most sought after venue spaces. These prestigious locations not only provide an exquisite backdrop but also ensure a heightened sense of exclusivity.

Dedicated to creating elevated and timeless events, our planning and styling team take into account not only the vision, but the surrounds and the design flow, ensuring your event breathes cohesion.
